The Youth Impact Report

Banneker High School Partnership

Giving a Boost at Banneker

Like all high schools, Benjamin Banneker High in College Park is always looking for ways to help its students achieve academic success with limited resources. That's why Future Foundation is bringing a variety of workshops and assemblies focused on academic success to the school. [Read more](#)

Enrichments

Enriching the lives of Atlanta students

Acknowledging that there's a lot more to getting an education than reading, writing, and arithmetic, Future Foundation's Reef House and Reef Teen Center are devoted to introducing students to subjects they might not experience at school or home. Our enrichment programs allow students to participate in everything from creative arts, cooking and dance classes to college tours and vocational skills career training.

We provide enrichments to two groups of students: 5th-7th graders and 8th-12th graders.

Upcoming Events

"Enriching the Soul" Thursday, March 28

On March 28th, the Teen Center students will participate in "Enriching the Soul" where they will showcase what they've learned in all of their enrichment courses, to their friends and families. Culinary Arts, Creative Arts, and Dance have played an important role over the past few weeks and the students would like to show off what they've learned. Light refreshments will be served.

Future Foundation Welcomes New Board Members

Future Foundation relies on our board of directors to help set our direction as an organization and to provide the benefit of their diverse experience. We're very pleased to announce three new members: Angela Getter, Kristina Jones, and Brant Ferrell.

Kristina is an attorney at the Atlanta

law firm Schiff Hardin, where she specializes in public law, finance and pensions. A 2009 graduate from the University of Georgia School of Law, Kristina has been involved with a number of other nonprofit organizations, including the Pro Bono Partnership of Atlanta. Desiring to serve youth and emphasize the importance of education, Kristina joined Future Foundation because of the proven impact that its staff and programming have on students and families.

Brant is East Region leader of Pricewaterhouse Coopers's International Assignment Services practice. Based in Atlanta, he has assisted clients for 22 years with all aspects of global mobility, including tax planning, compliance, payroll reporting and policy development. A graduate of the University of North Carolina at

Chapel Hill, Brant holds a Bachelor of Science in Business Administration and Masters in Accounting. He is a CPA licensed in North Carolina and Georgia.

Angela is Principal of the Getter Group, LLC. Based in Atlanta, Angela has twenty years of experience providing strategic communications, planning, marketing, and fundraising advisement to nonprofits, higher education, and community organizations. A graduate of Morris Brown College, Angela holds a Bachelor of Arts in Organizational Leadership and Post-Graduate Certifications from Dartmouth and Indiana University.

We look forward to working with Angela, Kristina, and Brant to help further Future Foundation's mission of providing quality educational, health, and life skills programs to Metro Atlanta's

Project R.E.S.T.O.R.E

Giving young Atlantans a second chance

When young people have been involved with the juvenile or adult justice system before they've even turned 20, they need help to get their lives back on track.

That's why Future Foundation has joined with Stand Inc., Youth Connections, and community partners to provide the Reentry Enhanced Services & Training Optimizing Restorative Experiences (R.E.S.T.O.R.E.) Project in the Atlanta area. [Read more](#)

youth.

About Us

Future Foundation is dedicated to a mission of leveling the playing field for youth in Metro-Atlanta by providing education, health, and life skills programs. We reach more than 1000 youth and parents annually through three primary activities: The Reef House After-School Learning and Teen Center Programs where youth have a 360-degree focus: school, health and fitness, lifestyle advice, and post-secondary preparation; RealTalk ATL, an in-school program that teaches youth how to avoid risky behaviors and make smart decisions about their bodies; and Parent Connect, a monthly series of workshops designed to help parents better connect and relate with their children.
