

## Keep It 100% Luncheon

### EVENT OVERVIEW

Founded in 2001, Future Foundation levels the playing field for metro Atlanta youth by providing quality education, health, and life skills programs. Through our Afterschool program, Future Foundation connects 400 youth and their parents annually with the tools and resources they need to step up and out of poverty. Over the past 10 years, Future Foundation has helped 100% of students in our Afterschool program graduate high school, with 99% of those students matriculating to post-secondary options. That is a 100% rate of high school graduation. Our model builds a sense of belonging and purpose in youth, and our enrichment collaborative connects kids to the advocacy, health, education, and employment services they need to be successful. The second-family model is designed to build an ecosystem of supporters to collaboratively improve high school graduation rates.

Our annual **Keep It 100% Luncheon** celebrates Atlanta's past, present, and future philanthropic investments in education for underserved youth. Led by a committee of Atlanta's most influential business and community leaders, the *Keep It 100% Luncheon* is our signature fundraising event. All 100% Circle Investors will be recognized and celebrated at the luncheon and throughout the year. With your support we will meet our \$300,000 goal.
